6. The Management will have the right to deny admission to any applicant if it is found that their character and antecedents are found to be questionable on genuine grounds. In such cases, the reason for the same will be recorded and communicated.

IX. Procedure of selection

Aptitude assessment test will be conducted with due notification in the official website to assess the flair of students for health care management studies. A pass in this test is mandatory to be considered for selection. The admission will be on the basis of inter-se merit obtained in the qualifying examination (Degree) subjected to normalization process.

The marks obtained in the qualifying examination will be subjected to normalization process as explained below.

1. This process will be done based on the highest aggregate mark in each stream obtained by candidates who apply pursuant to this prospectus.
2. For the purpose of normalization process, all candidates will be divided into the following six streams: a) Medical, b) Nursing and Allied Health Sciences, c) Engineering, d) Arts, e) Science and f) Commerce.

3. The aggregate marks obtained by the candidates in the qualifying examination of a particular stream shall be equated with the aggregate marks obtained by other candidates in the qualifying examination of other streams.

Explanation: Under the process of normalization, the highest aggregate mark obtained by candidates in each stream shall be equated to the highest aggregate mark obtained by the candidate among all streams and the relative marks of other candidates in each particular stream shall be determined accordingly.

4. Notwithstanding any lawful change in marks obtained by a candidate or receipt of additional applications due to extension of 'last date for submission of application' after the publication of rank list, the normalization once established shall not be changed.

X. Admission

Originals of all certificates/documents mentioned in clause VII are to be submitted at the time of admission

Selected candidates shall take admission at the appointed time and date after paying the fees, failing which the offer of admission shall stand cancelled.

XI. Fees structure:

Will be updated once permission is received from Supervisory Committee.

XII. Refund of fees

1. **No refund of fees will be allowed after the closure of admission.**
2. If any student discontinues the course from the college at any stage after the closure of admission, he/she shall be liable to pay liquidated damages equivalent to the tuition fee for the entire duration of the course.
